1. (SBU) On September 17, 2007 poloff delivered demarche to the Division Chief of the Uzbekistan Ministry of Foreign Affairs Americas Desk, Ismat Fayzullaev. Mr. Fayzullaev responded that Uzbekistan is a small country and is not generally involved in affairs of the Middle East. He added that Uzbekistan shares a desire for peace in the countries of the Middle East, including Lebanon, but that it would be difficult to identify funds for the Special Tribunal for Lebanon. He promised to pass the request to more senior officials.
